- Please stay safe! We look forward to being back together again, physically. But in the meantime, let's pull together spiritually & show our love for God and one another in any way we can. There are so many members willing & ready to help anyone out. Please let us know if you are in need of anything at all! We will get through this together!
- While @ home... send cards, make phone calls, feast on the Word of God, and PRAY!
